### EXPLANATORY NOTE TO ACCOMPANY COVER No. 100 OF 100 COMMEMORATING THE 75<sup>th</sup> ANNIVERSARY OF THE OPENING OF THE SYDNEY HARBOUR BRIDGE

Due to an incorrect setting on the camera some of the photographs taken of the bridgewalk cover courier showed 17th March 2007. This date was accidentally used during the production of the 100 bridgewalk covers.

The 100 covers were actually carried on 18th March 2007, when the Sydney Harbour Bridge was closed for the official 75<sup>th</sup> Anniversary celebrations. The carriage on the correct day is confirmed in the photograph which appears on our website which shows our courier, John Batson, with many other bridgewalkers in their yellow caps.

The Sydney Stamp Expo 2007 Organising Committee, on discovering the error, did consider producing replacement covers but as these would not have been physically carried across the Bridge on the day, decided to retain the existing covers because of their authenticity, and to include this explanatory note with each cover.

This explanatory note has been numbered to match your cover, and forms part of that cover. It is signed by Dr Geoffrey Lewis, the President of the Organising Committee for Sydney Stamp Expo 2007.
